

19 March 1962

MEMORANDUM FOR: Director of Central Intelligence
SUBJECT : Chairman for SIGINT Committee

Last year on 25 July USIB voted to combine its COMINT and ELINT Committees into one committee. This would presumably be called the USIB SIGINT Committee. The then Director was to get in touch with several members of the Board to determine who should be designated the Chairman of the new committee. This remains unfinished business although Defense nominated [redacted] of the Air Force for the post, and CIA nominated [redacted] of my office. Since so many months have passed, I think it would be quite proper for you, without putting this on the agenda, to suggest to the Board that you would welcome receiving their nominations to permit you to designate a Chairman of the SIGINT Committee.

[redacted]
Assistant Director
Current Intelligence
